After completing their learning, all children will have the opportunity to share what they have learnt through a quiz. The quiz will take 5-10 minutes and will give the children a score. Quizzes are available daily from 1pm. If your child is currently using a paper pack remotely, they will have a quizzes at the back of their book to be returned when you collect your new learning pack. Quizzes need to be completed daily and if possible, they should be completed by 5pm so that teachers can assess learning.

For reading, please access Bug club using your child's login in their red reading diary.

I am available daily between 9-3pm to support remote learning and answer any questions. Contact via the messaging system on eschools.

Take care, stay safe.
