After completing their learning, all children will have the opportunity to share what they have learnt through a quiz. The quiz will take 10-15 minutes and will give the children a score. Quizzes are available daily from 12pm. If your child is currently using a paper pack remotely, they will have a quiz pack included to be returned when you collect your new learning pack. Quizzes need to be completed daily and if possible, they should be completed by 5pm so that teachers can assess learning.

For independent reading, please access Bug club using your child's login in their red reading diary.

Please note: The home learning does not need to take place in any particular order on the day from home. However, the learning on this table will be the learning on quiz questions for that day.

*Have fun with your learning children, we miss you lots!
