bc@woodlands.staffs.sch.uk

Other monies:

You may be asked to send in money for purposes other than school dinners, (e.g. school visits, discos, etc.). We now operate a cashless system called Parent pay. You will be given a log in to parent pay when your child starts in September.

Curriculum:

Reception children are taught through a curriculum known as 'The Early Years Foundation Stage' which has been revised and started September 2021.

There are 7 areas of learning – Communication & Language, Physical Development, Personal, Social and Emotional Development, Literacy, Maths, Understanding of the World and Expressive Arts and Design.

Our approach to learning is very practical and is taught mainly through topics. We utilise both the indoor and outdoor environments to extend children's learning. We send out information about each topic at the beginning of each half term.

We use the Bug Club, Oxford Reading Tree and Rigby Star reading schemes. We currently use the 'Bug Club' scheme to teach phonics.

Progress and record-keeping:

A record of the child's development and achievements will be kept, by the class teacher, in the form of 'An Early Years Profile' and 'Learning Journey'. This is a document which is up-dated regularly and which assesses a child's development over the 7 areas of learning. Parents will be encouraged to contribute to the learning journey and be invited to talk to a class teacher/teaching assistant about their child's progress on at least 3 occasions during the year. They will receive one written report of their child's progress and be provided with the opportunity to discuss this with school staff, should they wish. We are always happy to speak to parents on a more informal basis, at other times, by appointment.

P.E.

P.E. happens twice a week, for 45 minutes but change into their kit at least once a week. Please send all kit in to school on a Monday. The kit remains in school and will be sent home for washing at the end of each half term.

They will need a P.E. kit consisting of: **trainers/plimsolls, white T-shirt, navy/black shorts**. We request that you send in warm clothing for outdoor sessions, during the cold weather, (e.g. black tracksuits without hoods). Information about PE kit can be found on the school website.

All these items should be clearly labelled with the child's name and should be stored in a P.E. bag, also clearly labelled with the child's name.

*Please note that children are not allowed to wear ear-rings or other jewellery during P.E. sessions, so we ask that they are removed **before** school or your child learns how to manage their earrings themselves.

Absences:

All absences must be authorised by the school. Parents must notify the school office on **each morning** of absence as it is our policy to ring parents where we have had no notification that a child will not be in school, to ensure parents are aware that their child has not arrived at school. Calls should be made to 01827 429020.

Medicines and inhalers:

Any children needing medication which has been prescribed by a doctor, dentist, nurse or pharmacist, during the day (4 times), may have this administered in school. Medicines **must** be taken to the school office where parents will be required to fill in an indemnity form to give us permission to administer it.

Coats:

Children will work indoor and outdoor. Therefore they will require a coat at all times. Even in warmer weather we ask that you send in a raincoat.

Book bags:

Children will need a book bag for their reading books and other correspondence. Book bags should be flat and large enough to hold at A4 size documents. Storage for book bags in the classroom is limited, so backpacks are not permitted.

Book bags should be brought into school each day and checked by parents/carers daily at home.

Toys and Personal belongings:

Toys and other personal belongings, (pencil cases, rubbers, etc.), should **not** be brought into school, unless specifically asked for as part of 'Topic' work.

Newsletter:

Regular e-newsletters are sent to all parents to keep them up to date on all school activities, awards achieved by the children, etc.

Communication:-

There is also a school website www.woodlands.staffs.sch.uk which is updated regularly with information about school.

There are noticeboards located at each entry gate and the main entrance reception area, which hold information about forthcoming events.

We also have a e-schools system to inform parents. You will have log in for this. Please ensure you share your mobile phone number and email address with us to ensure you receive the information electronically.

Have a lovely Summer holiday and we look forward to seeing you all in September. If you have any questions before then please send an email to office@woodlands.staffs.sch.uk and we will get back to you as fast as we can.
