Science Competition

Well done to our science competition winners. For British science week this year the children were asked to showcase 'growth'. We had some amazing entries showing growth in people, plants, animals, materials, countries and many other things in our everyday lives. Thank you to everyone who entered it was a very difficult decision choosing the winner.

The winners were: Henry, Seb, Reilly and Tobias

Well Done to you all!

Congratulations and Thank You.

**You raised an amazing
£751.63
for Comic Relief!**

Thank you to the children who sold noses, families who donated noses and everyone who contributed.

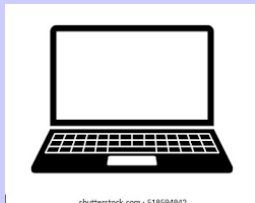

Parent Evenings

Time is flying and Spring Term is nearly over already! After the Easter Holidays we will be holding face to face parent evenings again. These will be able to be booked through eSchools and we will inform you when the booking is open. Please keep the following dates free to see your child's teacher:

April 26th and April 28th

Electronic Home Learning

The school invests heavily in online learning packages that are fun and engaging. These resources enable children to learn at any time through a fun approach.

If you do not have access to an electronic device to access these learning resources please contact the school to discuss ways that we can help.

Suns out

As the sun comes out, jumpers come off, please ensure that the children's clothes are labelled so that we can return them to the correct children.

Please ensure they have WATER to drink during the day. Other drinks are not permitted in the classrooms.

Reading

This week we talked with the children who shared their love of reading. They shared what books they like and when they like reading. The children shared that they love the online resources through Bug Club that enable them to read on a device and then answer questions. They also liked that the Bug Club then made suggestions of other books they may like too. Regardless of age the children also like it when the teacher reads a story with them.

Lets Get reading

The school will use the money raised from World Book Day to purchase more books for the older KS2 children to take home and read for pleasure. Please continue to celebrate reading at home.

Office request

Please make sure that **PARENT PAY** is up to date and that all monies are in for school dinners and trips. The catering company is separate from the school and have a no debt policy—any bills above £10 are followed up.

PLEASE NOTE: From Friday 1st April 2022 the cost of a school dinner will be increasing to £2.34 per day from £2.30.

Reminders of expectations:

For safety reasons; **No** hoodies or jewellery for PE

When collecting children, please line up by the hedge to ensure that the paths are free for people to walk on.

Please call the office to report child absences. There is a designated answer machine for absence messages. Please inform the school if a covid test has been taken.

Children should be reading at least 3 times per week. This helps them attain the rewards they deserve.

Children's attendance should be above 95% - please avoid missing any days from school unless ill.
